“Moving into Maitland Street Apartments was life-changing for me and my family. After struggling with housing, we found a clean, safe, and supportive place to call home. The staff are kind, responsive, and genuinely care. I’ve felt respected and supported from day one.”

— Mya Driver, Resident

“Living at the Maitland Apartments has been a wonderful experience for me and my family. From the moment we moved in, we felt a true sense of belonging. It is such a family-friendly building, and my children have really thrived here.

Living here has given us the opportunity to enjoy life together instead of just getting by. Before moving here, it often felt like we were simply trying to survive, but at Maitland we’ve found a place where we can truly make memories, feel safe and enjoy each day. We’ve found not just an apartment, but a place that truly feels like home.

The impact this place has had on my life has been incredible. Having a stable, affordable home gave me the opportunity to go back to school with constantly worrying about whether we would have a safe place to live. It gave me hope for our future and the chance to build a better life for my family. I will always be grateful for the opportunities living here has given us.
